### *An ideal luxury yacht*

The new ETAP 32s is the ideal choice for many discerning sailing enthusiasts. Its tall 190 cm headroom at the companionway and the panoramic window combine to give this yacht a spacious, airy interior.

A well-protected cockpit and the legendary ETAP unsinkability provide a reassuringly high degree of safety, while the choice of different sail areas and keel options enable you to tailor your ETAP 32s precisely to your personal sailing preferences.

An ideal yacht for family cruising, the ETAP 32s is also perfect for a crew of two.
